Coondapur L... - Appointment of a temporary additional peon - Continuance of - G.O.Ms.No.2947 P.W.D., dated 9-11-1946 communicated with Presidency Port Officer's Endt.No.2896 G1/46-2 dated 15-11-1946.

--

Sanction accorded in the G.O. cited above for the appointment of a temporary additional peon for one year at the port of Coondapur ceases on and from 1-12-1947 from the date of entertainment of the peon.

The necessity of the temporary additional peon is keenly felt at this port since the only one permanent peon attached to this office is not able to attend to and cope with all the duties both indoor and outdoor that are to be carried out. Besides attending on the Port Conservator in the office, his services are also required by the Port Conservator and Wharf Supervisor to accompany and assist them while on out-door duties in addition to which is the main duty of taking the remittances invariably once in every alternative days to the Coondapur Sub-Treasury where he will have to wait for the day until the challan receipt is obtained by which time it will be evening. Thus the services of one peon are solely engaged for the whole day on the day of remittance and this inconvenience has been overcome since the entertainment of a temporary additional peon whose services are still considered absolutely necessary as a permanent measure.

It is therefore ~~xx~~ requested that the Government may please be addressed for its permanent retention and in case it is not possible however it is requested that the post may be continued temporarily for a further period of one year.

Note to the Members of the Coondapoor Landing and Shipping Fees Committee regarding for permanent retention of an additional peon.

PRESIDENCY PORT OFFICE
MADRAS

G.O. No. Ms. 2947 P.W.D. dated 9-11-1946 sanction was accorded for the appointment of an additional temporary peon for a period of one year and the appointment ceases on and from 1.12.1947 from the date of entertainment of the peon.

The necessity of an additional peon is keenly felt as the only peon attached to this office is not able to attend and to cope with all the duties both indoor and outdoor. Besides attending in the office the main duty is of taking remittances invariably on every alternate days to the Coondapoor Subtreasury where he will have to wait for the whole day. This inconvenience has been overcome since the entertainment of an additional peon. It is therefore suggested that the post should be permanently retained...

If the proposal is approved the expenditure will be met from the Provincial Govt. Sea Defence Fund and the recurring expenditure from the Coondapoor Landing and Shipping Fund.

In this connection the attention of the members is drawn to minute No. IV of meeting dated 29th September 1940 approving the Govt to be met from the Coondapoor Landing and Shipping Fund

The members of the Committee are requested to give their views on the above proposal.
